

Property	Value	According to
Durability	Corrosion protection class C	EN 13964:2014

## Facings

Facing Material

Baked polyester paint. Additional paint finish to the reverse of the grid, giving an extra layer of protection to the galvanised steel.

## Colours

Global white, nearest RAL 9003/NCS 0502-B

## Maintenance

Clean with mild household cleaner and a soft cloth. Before cleaning the grid remove the ceiling tiles to prevent cleaning solution or dirt from getting on the tiles.
